Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of Catholic Council for Social Concern, Inc. aka: Catholic Charities of the Diocese of Des Moines (the Council), which comprise the statements of financial position as of June 30, 2023 and 2022, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Council as of June 30, 2023 and 2022, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Council and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Council's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Council's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Council's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matters

Other Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The schedule of expenditures of federal awards, as required by Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated November 15, 2023 on our consideration of the Council's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Council's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Council's internal control over financial reporting and compliance.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Activities

The Catholic Council for Social Concern, Inc. aka: Catholic Charities of the Diocese of Des Moines (the Council) is a nonprofit corporation organized under the laws of the state of Iowa. Its purpose is to promote the Council and coordination of charitable, social, and welfare programs and activities fostered, maintained, and operated under the sponsorship or encouragement of the Roman Catholic Diocese of Des Moines (the Diocese) in the Des Moines and Council Bluffs metropolitan areas.

The Council participates in community programs for social betterment, seeking, in cooperation with other agencies and individuals, to lessen those abuses in society which are factors in undermining the well-being of individuals, families, and children. The Council offers specific programs in the areas of counseling, adoption, protection of adults, temporary shelter, and immigrant and refugee services.

The Council also serves as a cooperative center for all Catholic agencies interested in the various phases of social service, family education, and social action.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (GAAP) requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Investments

Investments are recorded at fair market value, with gains and losses resulting from market fluctuations recognized in the period in which the fluctuations occur. Investment return consists of interest and dividend income, realized and unrealized gains and losses, less external investment expenses, and is reported in the statements of activities as an increase or decrease in net assets without donor restrictions unless the use of the assets is restricted by the donor.

Property and Equipment

Property and equipment are stated at cost or fair value if donated. Depreciation is computed using the straight-line method over the useful lives of assets, which range from 3 to 40 years. The Council follows the practice of capitalizing all expenditures for property and equipment in excess of \$2,500.

Funds Held for Others

The Council accepts cash or other assets from donors and agrees to use the assets on behalf of or transfer the assets to a specified beneficiary. These amounts are recognized as funds held for others in the statements of financial position.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Classification of Net Assets

Net assets are based on the existence or absence of donor-imposed restrictions. The following is a description of each class:

Without Donor Restrictions – Net assets that are available for use in general operations and not subject to donor restrictions. The Council's governing board may earmark portions of its net assets without donor restrictions as board-designated for various purposes.

With Donor Restrictions – Net assets that are subject to donor restrictions. Some donor-imposed restrictions are temporary in nature such as those that will be met by the passage of time or by actions of the Council meeting the purpose of the restriction. Other donor-imposed restrictions are perpetual in nature, such as endowment type funds, where the donor stipulates that sources be maintained in perpetuity. Contributions received are recorded as with or without donor restrictions, depending on the existence and/or nature of any donor restrictions. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statements of activities as net assets released from restrictions.

Public Support and Revenue

The Council recognizes contributions when cash, securities or other assets, an unconditional promise to give, or a notification of a beneficial interest is received. Conditional promises to give, that is, those with a measurable performance or other barrier and a right of return, are not recognized until the conditions on which they depend have been met. Amounts received prior to satisfaction of conditions being met are reported as refundable advances in the statements of financial position.

A portion of the Council's revenue is derived from cost-reimbursable federal and state contracts and grants, which are conditioned upon certain performance requirements and/ or the incurrence of allowable qualifying expenses. Amounts received are recognized as revenue when the Council has incurred expenditures in compliance with specific contract or grant provisions. Amounts received prior to incurring qualifying expenditures are reported as refundable advances in the statements of financial position. As of June 30, 2023, \$274,731 of cost reimbursable grants have not been recognized as revenue because qualifying expenditures have yet been occurred.

The Council records contributions of donated goods at their fair values in the period received. Contributions of donated services that create or enhance nonfinancial assets or that require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation, are recorded at their fair values in the period received.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Revenue Recognized Under ASC 606

Special event revenue is equal to the fair value of direct benefits to donors, and contribution revenue for the difference. The Council recognized the contribution portion at a point in time when received and the direct benefits to donors' portion as events occur. Amounts received in exchange for services that will occur in the next fiscal period are reported as refundable advances in the statements of financial position.

Program service fees are comprised amounts paid to the Council for counseling services performed. Revenue is recognized per session as services are performed. Program service fee revenue and accounts receivable are as follows for the years ended June 30:

	<u>2023</u>	<u>2022</u>	<u>2021</u>
Program Service Fee Revenue	\$ 82,284	\$ 99,824	\$ 167,408
Accounts Receivable	31,362	84,353	49,865

Income Taxes

The Council is exempt from federal and state income taxes under Section 501(c)(3) of the Internal Revenue Code. The Council is required to file a Form 990 information return.

Concentrations of Credit Risk

In the normal course of business, the Council grants credit to individuals which arise from services provided for fees. These receivables are unsecured, and repayment is reliant upon the economic conditions of Central and Southwest Iowa and the individual debtor.

Functional Expense Allocations

The financial statements report certain categories of expenses that are attributed to more than one program or supporting function. The expenses that are allocated include salaries and wages, employee benefits, and payroll taxes, which are allocated based on time and effort. Occupancy is allocated based on time and space. All other expenses consist of direct costs.

Adoption of Accounting Principle

In February 2016, the Financial Accounting Standards Board (FASB) issued Accounting Standards Updated (ASU) 2016-02, *Leases (Topic 842)*. This new standard increases transparency and comparability among organizations by requiring the recognition of right-of-use (ROU) assets and lease liabilities on the statement of financial position. Most prominent among the changes in the standard is the recognition of ROU assets and liabilities by lessees for those leases classified as operating leases. Under the standard, disclosures are required to meet the objective of enabling users of the financial statements to assess the amount, timing, and uncertainty of cash flows arising from leases.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Adoption of Accounting Principle (Continued)

The Council adopted the requirements of the guidance effective July 1, 2022, and has elected to apply the provisions of this standard to the beginning of the period of adoption. The adoption had no impact on the Council's financial position.

The Council has elected to adopt the package of practical expedients available in the year of adoption. The Council has elected to adopt the available practical expedient to use hindsight in determining the lease term and in assessing impairment of the Council's ROU assets.

NOTE 2 LIQUIDITY AND AVAILABILITY

The Council regularly monitors liquidity required to meet its operating needs and other contractual commitments, while striving to maximize the investment of its available funds. The following table reflects the Council's financial assets as of June 30, reduced by amounts that are not available to meet general expenditures within one year of the statement of financial position date because of time or purpose restrictions.

NOTE 4 INVESTMENTS, INVESTMENT RETURN, AND FAIR VALUE MEASUREMENTS

The Fair Value Measurements and Disclosures Topic of the FASB Accounting Standards Codification establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of quoted prices of similar assets or liabilities in active markets or quoted prices for identical or similar assets in inactive markets, and Level 3 inputs have the lowest priority.

Level 1 – The fair value of mutual funds is based on quoted market values of the share held by the Council at year-end. The Council currently has no Level 1 assets.

Level 2 – The fair value is based on quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in inactive markets, inputs other than quoted prices that are observable for the asset or liability, and inputs that are derived principally from observable market data. The Council currently has no Level 2 assets.

Level 3 – The undivided interest in investment funds held by the Catholic Foundation of Southwest Iowa (Catholic Foundation) is not actively traded and significant other observable inputs are not available. The interest in these assets is measured at net asset value of the Council's pro rata share of each investment pool. The unobservable inputs are the underlying assets and follow the Catholic Foundation's investment policies. The underlying assets consist of marketable securities that are either classified as Level 1 or Level 2 assets. There are no unfunded commitments or redemptions associated with these assets.

The Council's investments consist of the following as of June 30:

	2023			Total
	Level 1	Level 2	Level 3

NOTE 6 RETIREMENT PLAN

All eligible employees participate in the Council's 403(b) plan. Contributions by the Council are equal to 50% of employee elective deferrals up to a maximum of 8% of eligible compensation for certain employees and an additional 2% for other employees, based on the date of employment. The Council's contribution to this plan for the years ended June 30, 2023 and 2022 was \$38,425 and \$41,872, respectively.

NOTE 7 SPLIT-INTEREST AGREEMENTS

The Catholic Foundation administers a charitable gift annuity program which provides for the investment of contributions made by individuals from which the periodic contractual annuity payment is made to the annuitant. Upon the death of the annuitant, the Catholic Foundation pays the remaining allocated investment amount to the named beneficiary. The Catholic Foundation administers several charitable gift annuities as an agent in which the Council is the remainder beneficiary.

The portion of these split-interest agreements attributable to the present value of the future benefits to be received by the Council is recorded in the accompanying statements of activities as a donor restricted contribution in the period the agreement is established. The estimated net present value of amounts to be received under split-interest agreements at June 30, 2023 and 2022 totaled \$52,240 and \$46,058, respectively. On an annual basis, the Council revalues this receivable based upon actuarial assumptions.

NOTE 8 ENDOWMENT FUNDS

The Council's endowment funds consist of net assets with donor restrictions which provide that the principal be invested in perpetuity and the income only be used for providing food and financial assistance for the indigent as a corporal work of mercy for the Food Pantry and Outreach Center. As required by GAAP, net assets associated with endowments funds are classified and reported based on the existence or absence of donor-imposed restrictions.

Interpretation of Relevant Law

The Council has interpreted the State of Iowa State Prudent Management of Institutional Funds Act (SPMIFA) as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary. As a result of this interpretation, the Council retains in perpetuity (a) the original value of gifts donated to the permanent endowment, (b) the original value of subsequent gifts to the permanent endowment, and (c) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. The remaining portion of the donor-restricted endowment fund that is not retained in perpetuity is subject to appropriation by the Council in a manner consistent with the standard of prudence prescribed by SPMIFA.

NOTE 8 ENDOWMENT FUNDS (CONTINUED)

Interpretation of Relevant Law (Continued)

In accordance with SPMIFA, the Council considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds: (1) duration and preservation of the various funds, (2) the purpose of the donor-restricted endowment funds, (3) general economic conditions, (4) the possible effect of inflation and deflation, (5) the expected total return from income and appreciation of investments, (6) the Council's spending policy for endowment funds, and (7) the Council's investment policies.

Investment Policies

The endowment agreement stipulated the investment fund in which the endowment assets were to be placed.

Spending Policies

The Council's current spending policy is to appropriate an annual distribution amount established at the discretion of the board of directors.

Changes in endowment net assets for the years ended June 30:

	<u>2023</u>	<u>2022</u>
	With Donor Restrictions	With Donor Restrictions
Endowment Net Assets - Beginning of Year	\$ 81,590	\$ 185,461

NOTE 9 RELATED PARTY TRANSACTIONS

The Diocese and the Catholic Foundation assist in funding the Council's programs. For the years ended June 30, 2023 and 2022, contributions from affiliates totaled \$697,706 and \$587,881, respectively. Contributions from affiliates include \$379,138 and \$367,855, respectively, of Annual Diocesan Appeal collections allocated to the Council by the Diocese. Of the amounts received by the Diocese, \$108,943 and \$67,154, respectively, represent rent payments made by the Diocese on behalf of the Council. Funding received from the Catholic Foundation totaled \$318,568 and \$220,026, respectively.

During the years ended June 30, 2023 and 2022, the Council reimbursed the Diocese \$181,583 and \$164,502, respectively, for administrative, technology, accounting, and fund raising support.

Operating advances between affiliates have resulted in amounts due from the Diocese of \$168,960 and \$742,378, respectively, as of June 30, 2023 and 2022.

NOTE 10 IN-KIND CONTRIBUTIONS

The Council receives in-kind contributions which consist of supplies, meals, and food. Supplies are comprised of items such as paper towels, napkins, cleaning supplies, diapers, clothes, and toiletries. Meals are contributed by businesses that come in and serve hot meals. Food items are often contributed in bulk and consist of items such as vegetables, meat, bread, and dairy. Supplies and meals are valued at the price the Council would otherwise have to pay if the items were not contributed. Food items are valued per pound using the estimated fair value of one pound of donated food product at the national level per Feeding America, the nation's leading domestic hunger-relief charity.

All in-kind contributions were utilized by the Council's programs. There were no donor-imposed restrictions related to the in-kind contributions.

The Council received the following in-kind contributions for the years ended June 30:

CATHOLIC COUNCIL FOR SOCIAL CONCERN, INC.
AKA: CATHOLIC CHARITIES OF THE DIOCESE OF DES MOINES
NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS
JUNE 30, 2023

NOTE 1 BASIS OF PRESENTATION

The schedule of expenditures of federal awards (the Schedule) includes the federal award activity of the Council under programs of the federal government for the year ended June 30, 2023. The information in this Schedule is presented in accordance with the requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Because the Schedule presents only a selected portion of the operations of the Council, it is not intended to and does not present the financial position, changes in net assets, or cash flows of the Council. Pass-through entity identifying numbers are presented when available.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement.

NOTE 3 INDIRECT COST RATE

The Council has not elected to use the 10 percent de minimis indirect cost rate allowed under the Uniform Guidance.

NOTE 4 SUBRECIPIENTS

There were no awards passed through to subrecipients.

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

Board of Directors
Catholic Council for Social Concern, Inc.
aka: Catholic Charities of the Diocese of Des Moines
Des Moines, Iowa

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Catholic Council for Social Concern, Inc. aka: Catholic Charities of the Diocese of Des Moines (the Council), which comprise the statement of financial position as of June 30, 2023, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated November 15, 2023.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Council's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Council's internal control. Accordingly, we do not express an opinion on the effectiveness of the Council's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

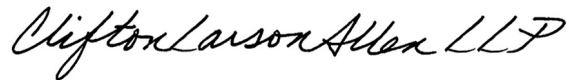

Board of Directors
Catholic Council for Social Concern, Inc.
aka: Catholic Charities of the Diocese of Des Moines

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Council’s financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of This Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity’s internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity’s internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Report on Compliance for Each Major Federal Program

Opinion on Each Major Federal Program

We have audited Catholic Council for Social Concern, Inc. aka: Catholic Charities of the Diocese of Des Moines' (the Council) compliance with the types of compliance requirements identified as subject to audit in the OMB *Compliance Supplement* that could have a direct and material effect on each of the Council's major federal programs for the year ended June 30, 2023. The Council's major federal programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

In our opinion, the Council complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2023.

Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America (GAAS); the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditors' Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of the Council and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of the Council's compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules and provisions of contracts or grant agreements applicable to Catholic Council for Social Concern, Inc.'s federal programs.

Auditors' Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the Council's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the Council's compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the Council's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of the Council's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of the Council's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control Over Compliance

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Board of Directors
Catholic Council for Social Concern, Inc.
aka: Catholic Charities of the Diocese of Des Moines

Our consideration of internal control over compliance was for the limited purpose described in the Auditors' Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
